

Local Wellness Policy Triennial Assessment

Sponsors participating in the National School Lunch Program and/or School Breakfast Program are required to have a Local Wellness Policy. At a minimum, the Local Wellness Policy must be assessed once every three years; this is referred to as the Triennial Assessment. Triennial assessments must determine, for each participating site under a sponsor's jurisdiction, 1) compliance with the wellness policy, 2) progress made in attaining the goals of the wellness policy, and 3) how the wellness policy compares to model wellness policies.
